

MANDYA DISTRICT.

Notification No. A9 1136—39-40, dated 8th February 1941.

It is hereby notified for the information of all concerned that the undermentioned tanks in the Irwin Canal Area, which have been provided with scouring sluices are proposed to be drained to the sill level of the scouring sluices during the summer months of 1941, from 10th January 1941, till the end of May 1941, in the interest of the health of the villagers in the vicinity. The seepage entering these tanks during the months will be uncertain and supply of water to cane or other crop cannot therefore be guaranteed. If the atchkatdars under these tanks should still chose to plant cane, etc., requiring water-supply, under these tanks, they do so at their risk. This notification is in supercession of the notification dated 2nd December 1940, already got published by the Sub-Division Officer and Irrigation Officer, Mandya Sub-Division, Mandya.
